## MEDICINAL

### A PICTURE

Of health, we say of a perfectly healthy woman, and it is a picture everyone loves to look upon. All the pictures of all the artists who have ever painted the glory and beauty of womanhood, are only copies and imitations of this picture.

Never artist mixed a color on his palette that can vie with the hues which tint a healthy woman's cheek. Why should this charm be sacrificed to sickness? It need not be. It need not be in rare cases. The general health of woman is so linked with the local womanly wealth that a wasted cheek and sunken eye are in general but evidences of womanly diseases. Cure the diseases and the physical health is restored.

Dr. Pierce's Favorite Prescription cures the ills of women. It establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness.

Mrs. Mary E. Lewis, of Tanner, Gilmer Co., W. Va., writes: "I shall always recommend Dr. Pierce's Favorite Prescription, 'Golden Medical Discovery' and 'Pleasant Pellets,' for they cured me when doctors and other medicines failed. For fifteen years I suffered untold misery. When I commenced taking Dr. Pierce's medicine, I had given up all hope of ever getting well. I could not lie down to sleep, and everything I ate would almost escape me. I was very nervous and could hardly walk across the room. I only weighed ninety pounds when I commenced taking these medicines six years ago; now I weigh one hundred and forty pounds and am having better health than ever before. My friends all say they can hardly believe that I am the same person. I have changed to be robust and rosy checked."

Dr. Pierce's Pleasant Pellets invigorate stomach, liver and bowels.

Can you eat? O hers can. Latest improvements in Teeth. Our patent suction Never falls down.

Call and have a set with the above improvements. Old loose and ill-fitting plates corrected. Durable, and comfortable perfectly true to nature.

Dr. W. F. HUTCHINSON, Dentist. Corner Prince and Washington Streets, Office Formerly Occupied by Dr. Fawcett.

FOR OVER SIXTY YEARS. AN OLD AND WELL-TRIED REMEDY. Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

## POLITICAL.

In the democratic primary held in Alabama yesterday for the nomination of candidates for State offices and Congressional Representatives, William D. Jelks, the present governor, won over former Gov. Joseph F. Johnston, for governor, by a majority which probably will reach 20,000. The primary was the first held since the adoption of the new constitution by which the negro is eliminated as a political factor in Alabama, and the new organic law was made an issue in the campaign. The result is equivalent to an election. The new constitution was endorsed in its entirety by Governor Jelks, and ex-Gov. Johnston also guaranteed to uphold it, although he opposed its ratification. R. M. Cunningham, defeated C. E. Walker by about 20,000 majority for Lieutenant Governor. The naming of State officers by a general primary was an innovation in Alabama, and the voting passed off quietly throughout the State. The following Congressmen were renominated without opposition: G. W. Taylor, A. A. Wiley, H. D. Clayton, Sidney J. Bowie, J. H. Bankhead, John L. Bur ett, William Richardson and Oscar W. Underwood. In the Fifth district former Congressman Willis Brewer is opposing Charles W. Thompson, present incumbent. The returns indicate the renomination of Thompson.

The republican State convention at California was organized yesterday at Sacramento by the election of Lieut. Gov. Jacob H. Neff as chairman over Congressman Victor H. Metcalf. The struggle was one of the most strenuous in the history of the republican party in California. Neff was supported by the Flint, Edison, and Hayes forces, and Metcalf was backed by Gage. The Neff people declare that the capture of the organization by them insures the defeat of Gov. H. T. Gage for renomination. It is pointed out by the Gage men that Neff's success was due to his personal popularity and that it was not a square test of Gage's strength.

A primary election was held in South Carolina today. Senator McLaurin's successor is to be nominated, as well as a State ticket. There are six candidates for the Senate, Congressmen Elliott and Lattimer, former Congressmen Hampton and Johnston, D. S. Henderson, State Senator, and ex-Gov. John Gary Evans. The candidates for governor are M. F. Ansel, former circuit solicitor; Dr. W. H. Timmerman, former State treasurer; W. J. Talbert, member of Congress; D. C. Heyward, and James H. Tillman, lieutenant governor. The last named is a nephew of Senator Tillman. The campaign has been featureless, except for the terrible arraignment of Lieut. Gov. Tillman's personal character and public career.

The Ohio Legislature convened at Columbus yesterday in extraordinary session to enact laws to provide for the government of municipalities and to restore lost jurisdiction to the Supreme Court, these matters having been rendered chaotic by the action of that court during the early summer.

## JUSTIFIED BY JURY.

Remote from railroad and telegraph communication, Tom Jones, a negro, was riddled with bullets by indignant citizens of Wayne county, N. C., at 10 o'clock yesterday morning. The crime for which Jones suffered was an assault on the wife of a citizen of the county on Friday. For two days, with bloodhounds and guns, and led by the sheriff, a large party of neighboring farmers scoured the county far and near. On Sunday evening the sheriff gave up the search and returned home. About noon yesterday he received a message saying: "Negro found dead at Monroe. Come at once." About the same hour a telegram from Lagrange was received in Raleigh, and this is what it said: "Tom Jones was killed by colored people at 10 o'clock this morning." The sheriff left for the scene of the lynching, accompanied by the coroner. Arriving there at 5 o'clock, the body of Jones was found, his features mutilated by many bullets. The coroner summoned a jury which, which returned the following verdict: "We, the undersigned, impaneled as a jury to inquire the cause of the death of Tom Jones, find that he came to his death by gunshot wounds inflicted by parties unknown to the jury, obviously by an outraged public acting in defense of their homes, wives, daughters, and children. In view of the enormity of the crime committed by said Tom Jones, alias Frank Hill, we think they would have been recant to their duty as good citizens had they acted otherwise." It was learned that Jones was caught at 1 o'clock yesterday morning at Outlaw's Bridge, in the adjoining county of Dublin. He was taken in charge by Mr. J. M. Rich and carried in Rich's buggy to his home. While Rich was in the act of changing horses, preparing to take the criminal to Goldsboro and deliver him to Sheriff Scott, a crowd of men who were disguised as negroes appeared

and demanded the negro. Upon refusal they broke open the barn in which the negro had been placed and led him off in the direction of a swamp, where his life was ended.

REV. SAM SMALL COLLAPSES.—The most sensational incident in the present campaign in Vermont thus far occurred at Brattleboro last night when a rally in the interest of Percival W. Clement, high license, and local option candidate for Governor, came abruptly to an end by reason of the collapse of Rev. Samuel Small, the chief speaker. The rally opened in the usual style, and Rev. Mr. Small was introduced. He made incoherent remarks and was led from the platform, collapsing as he reached the floor. At a late hour physicians could not make any explicit explanation of Mr. Small's condition. He spoke at a Clement rally in Putney yesterday afternoon, and arrived at Brattleboro at 7.30, going at once to the auditorium to deliver an address.

## A Cure for Cholera Infantum.

"Last May," says Mrs. Curtis Baker, of Bookwalter, Ohio, "an infant child of our neighbor was suffering from cholera infantum. The doctor had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days the time the child had fully recovered and is now (nearly a year since) a vigorous, healthy girl. I have recommended this Remedy frequently and have never known it to fail in any single instance." For sale by Richard Gibson, Druggist.

## A Necessary Precaution.
